

March 2010

## Help us help you!

If you have read our emails and visited our updated website – and shame on you if you haven't – you will know we are taking your club onwards and upwards.

Our new-look potluck dinners with birthday additions (see our [Full Programme](#)) are one example.

To make it work we need to know a bit more about you – not a lot just the day and month you were born will be fine.

But then we thought why not ask the members what their skills and businesses are? If we need a plumber, electrician or caterer why not use an LYC member?

If you think this is a good idea why not [contact us](#) – even better tell us what your skills are!

## Outgames 2011 12 - 19 March

Wellington is to host the Second Asia Pacific Outgames.

The organisers promise a week of sports competition, cultural events, some spectacular shows and must-go parties. A human rights conference

with international and local speakers is also planned.

More than 1,000 gay, lesbian, bisexual, transgender, and intersex people are expected to participate. There is plenty of time to plan what part of the Outgames you want to become involved in. Registrations open later this year so visit the website: <http://www.wellingtonoutgames.com/>

## Happy Easter

Regular readers will notice something missing: there are no Secretary's Notes.

With a busy few weeks behind us and Easter holidays fast approaching Peter is very busy. He will still be emailing members.

Keep looking at our website for the latest news about events. Have a Happy Easter; and be ready for our next event!

## LYC hands over the charity cash

When the club decided to support the Auckland OurFest event we pledged to donate money to the festival charities. We are pleased to say that nearly \$100 was distributed between GenderBridge and Body Positive. This was the entry money paid for the Mystery Meander that we organised around the Domain and Parnell. The club already supports BP and recently donated much needed tea and groceries for use at their drop-in centre as a thank you for the use of their facilities for LYC meetings and events.
